Indoors we have two small meeting rooms that can seat between 30-50 and a mid-sized meeting room that can seat up to 150.

Our 270 plus acres offers plenty of land for large group games or events, softball/baseball fields, basketball courts, tennis courts, volleyball courts, tether ball, a Rec. Seasonally, if the proper arrangements are made in advance and we have available staff, we also have a lake for boating and fishing, a swimming pool, a challenge course, a horse corral, a petting farm, and a nature center which may be made available for your groups use.
